COMMUNITY WARD UPDATE

In the last month Annual Leave and abstractions to other duties both within and outwith Fife Division have unfortunately meant Community Policing duties in the West Fife and Coastal Villages area has been somewhat limited. Despite this PCs Cooper and Patience participated in a West Fife initiative, as part of a national campaign, targeting the illegal use of electric scooters, offroad bikes and e-bikes. PCs Cooper and Patience carried out patrols in local hot-spots for the illegal use of such vehicles, supported by and supporting local CPT officers in the Cowdenbeath and Dunfermline local policing areas.

PC Cooper also participated in multi-agency discussions relating to the scheduled closure of the Sunnyside Road between Cairneyhill and Oakley. These were successful and informative, however days prior to the work commencing the closure was cancelled by the housing developer proposing the works.

Work continues on carrying out site assessments relating to proposed Community Speedwatch schemes, once this is completed, vetting forms will be sent to all those who have volunteered so far prior to training commencing.

CONTACT US

Ward Officers would like to remind members and the public of the importance of reporting matters to the police should you require police assistance. This will assist in directing resources to problem areas and help build an accurate picture of issues within the community.

There are various ways to report crimes or incidents to the police, including anti-social behaviour. These include contact via phone on 101 however there is various other ways such as reporting matters online through our contact form.

This can be found at - https://www.scotland.police.uk/contact-us/

However please always contact 999 in an emergency.
